

NEW U.S. Botanic Garden Coloring Page!

The U.S. Botanic Garden is featured in a new coloring page as part of the

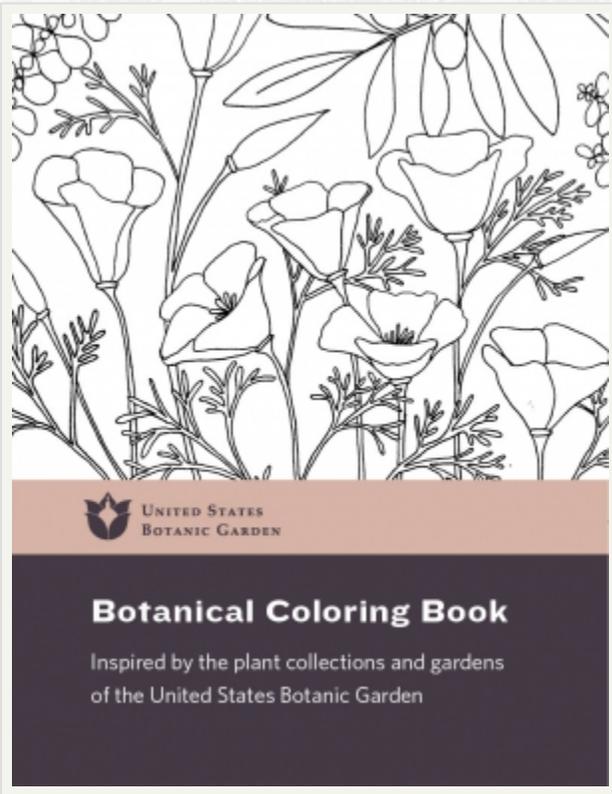

Coloring Book! Artist Becky Paxton is creating unique coloring pages to celebrate botanic gardens across the United States. Her latest shares a view of our *Fountain of Light and Water* in Bartholdi Fountain and Gardens set amongst the outdoor gardens, with the Conservatory anchoring the Garden behind. Try this beautiful illustration, and share your coloring creations with us by tagging #USBGart !

Botanical Coloring Book

Inspired by the plant collections and gardens of the United States Botanic Garden, this coloring book is a perfect tool for kids to explore plants at the Garden, and for teens and adults to color their favorite garden settings. The PDF can be downloaded for printing out to color, or can be opened in your favorite coloring app.

All of the artwork was created by the U.S. Botanic Garden and is free to download and use.
