

By Email

We welcome your feedback! Please email us your comments, questions or concerns about the U.S. Botanic Garden.

Current Garden Status

For the latest information about the Garden's open / reopening status, please see www.USBG.gov/visit. Due to overwhelming volume, questions about opening will not receive individual responses.

Plant Care / Identification Questions

You can also send us your plant questions, just select the "Plant Hotline" option in the form below.

Inquiry Type: *

[Plant Hotline](#)[General Feedback](#)[Website Help](#)[Research Request](#)[Employment](#)[Procurement/Business](#)[Press](#)[Sustainability](#)[Join Mailing List](#)

Name (Optional):

Address (Optional):

Email Address: *

Question or Comment: *

Attach Document or Image:

You may attach an image or file (if any) up to 5120 K / 5 MB

Phone (Optional):

CAPTCHA

This question is for testing whether or not you are a human visitor and to prevent automated spam submissions.

Math question *

1 + 1 =

Solve this simple math problem and enter the result. E.g. for 1+3, enter 4.

Submit
